JBS USA, LLC Selects ISNetworld for Contractor Management ISN Expands Food and Agriculture Client Base

DALLAS, Texas (October 17, 2011) — ISN is pleased to announce JBS USA, LLC (“JBS USA”) has selected ISN as its partner for contractor management. JBS USA will utilize ISN to collect and verify health, safety and procurement information on all contractors to ensure compliance with JBS and regulatory standards.

With 140 production facilities worldwide and over 120,000 employees, JBS and its subsidiaries, including JBS Five Rivers Cattle Feeding, LLC, as well as its affiliates, such as Pilgrim’s Pride Corporation, is the largest animal protein processor in the world. JBS USA is headquartered in Greeley, Colorado.

“Our Mission is to ensure a safe and healthy working environment for all JBS USA employees and contractors. We are confident ISN will help JBS USA take our contractor safety program to the next level. ISN will assist JBS USA in our goal to standardize contractor management across operations and business units,” said Linda McDaniel, JBS Process Safety Management Director.

ISN Food & Agriculture Team Lead, Kim Davis, added, “ISN is pleased to grow our footprint in the Food and Agriculture industry with JBS USA. We look forward to developing a close relationship with JBS USA to help them achieve their contractor management goals and keep not only their contractor employees safe, but in doing so, enhance the safety of all JBS USA employees.”

About ISN

ISN provides an online contractor management database, ISNetworld, which is designed to meet internal and governmental record keeping and compliance requirements. ISN collects health and safety, procurement, quality and regulatory information for more than 36,000 contractors and 225 Owner Clients. Through its Review and Verification Services (RAVS), ISN's subject matter experts review and verify contractors' self-reported information, incorporating a level of due diligence to the process. Contractors also use the system to manage internal training and recording keeping requirements. For more information, visit www.isn.com.
