ISNetworld Relocates Headquarters to Dallas

Dallas, TX, February 3, 2002 – ISN Software Corporation (ISN) announced today that it has moved its headquarters from Houston to Dallas.

Bill Addy, President of ISN, stated, “The opportunity to relocate presented itself and we took it. All of our Houston based staff has been offered the opportunity to relocate. Several staff members, including myself, are already Dallas based. This move should be transparent to customers.”

ISN Software Corporation, through its flagship ISNetworld product, automates the relationship between contractors and their owner/operator customers in America’s most capital-intensive industrial sectors. ISNetworld utilizes third party data wherever possible to create an added level of compliance record management and reporting integrity. For more information, visit www.isnetworld.com.
