ISNetworld Exceeds 100,000 OQ Qualifications

Dallas, TX, October 21, 2002 – ISN Software Corporation (ISN) announced ISNetworld contractors have now entered over 100,000 OQ Qualifications into ISNetworld.

Bill Addy, President of ISN, stated, “We want to thank our contractor customers for their diligence in using ISNetworld to record and prove their OQ qualifications to ISNetworld operators. This important milestone has been achieved with just over a week until the DOT Operator Qualification goes into effect.”

ISN Software Corporation, through its flagship ISNetworld product, automates the relationship between contractors and their owner/operator customers in America’s most capital-intensive industrial sectors. ISNetworld utilizes third party data wherever possible to create an added level of compliance record management and reporting integrity. For more information, visit www.isnetworld.com.
