ChevronTexaco Mid-Continent Business Unit Joins ISNetworld

Dallas, TX, October 1, 2004 – ISN Software Corporation (ISN) announced today that the Mid-continent Business Unit of ChevronTexaco (ChevronTexaco MidCon) is the latest Onshore E&P operator to join ISNetworld.

Jason Schultz, a Director of ISN, said, “Throughout 2004, we have made an effort to introduce ISNetworld to Onshore E&P operators and the response and feedback from these operators has been tremendous. We are extremely pleased to add ChevronTexaco MidCon to our growing list of Onshore E&P operators that depend on ISNetworld to manage their contractors’ compliance information.”

Joe Eastin, Executive Vice President of ISN, added, “With the addition of ChevronTexaco MidCon, we are now proud to count five ChevronTexaco Business units as ISNetworld users. These units span Offshore, Pipeline, Environmental and Onshore ChevronTexaco operations. All are terrific organizations and we are proud to be associated with each of them.”

ISN Software Corporation, through its flagship ISNetworld product, automates the relationship between contractors and their owner/operator customers in America’s most capital-intensive industrial sectors. ISNetworld utilizes third party data wherever possible to create an added level of compliance record management and reporting integrity. For more information, visit www.isnetworld.com.
