To Whom It May Concern:

Allison Fence is relatively new to ISNetworld but we have already seen the benefits of membership. Since joining back in the fourth quarter of last year, we have been able to promote ourselves as a fully qualified, documented and safety oriented company.

Allison Fence Company is a 91 year old company offering 'quality service since 1919'. HubZone Certified and fully bondable, we specialize in commercial and industrial fencing which includes galvanized chain link, vinyl coated chain link, wood, ornamental aluminum, and ornamental steel. We also provide custom swing gates, cantilevered gates, bollards, turnstiles, guard rail, and access controls.

The ISNetworld staff has always been helpful and curious in assisting us with meeting our Owner Client's requirements and we look forward to working with them to increase our exposure in the industries we service.

Very truly yours,

ALLISON FENCE CO., INC.
