

Contractor/Supplier Benefits

ISN is the resource for connecting organizations around the world with safe, reliable contractors and suppliers.

Ensuring proper conformance and maintaining up-to-date credentials is essential... but not always simple. ISN cuts through the complexity involved with conformance and credentialing, allowing your record to speak for itself. Join thousands of contractors and suppliers who are taking advantage of the benefits.

Gain marketing exposure to clients around the globe

- Create a searchable company profile, including services performed and location
- Centralize all conformance information, contact info, and marketing info via the Dashboard
- Maintain an online document library, providing instant access to clients

Streamline the conformance process

- Complete one online questionnaire for all Owner Clients
- Track recordable incidents, logs, forms, and summaries via SmartLog
- Manage employee training, job history, and performance evaluations
- Bid on potential jobs posted by Owner Clients in ISNetwork

Stay informed

- Receive email reminders prior to expiration of insurance and other conformance information
- Link to relevant OSHA/OH&S and industry resources
- Access unlimited help desk support, toll-free

More than just a tool for helping your company keep in conformance with OSHA/OH&S Regulations and Owner Client requirements, the ISNetwork Review and Verification Services (RAVS) team reviews and verifies contractor/supplier self-reported information, ensuring accuracy and preventing costly complications down the road.

RAVS reviews and verifies:

- Written Safety Programs
- Accident/Incident Records
- EMR Certificates
- Workers Comp Clearance Letters
- Training Documents
- Insurance Certificates
- Citation/Prosecution Search
- Supplier Diversity Certificate

ISNetwork receives third-party provider data:

- Operator Qualifications
- Drug & Alcohol and Background Checks
- Training
- Audits
