ISNetworld Reaches 25,000 Contractor Clients

DALLAS, Texas (June 8, 2010) — ISNetworld, the global resource for connecting corporations with safe, reliable contractors and suppliers, announced today that the company has more than 25,000 contractors and suppliers subscribed to ISNetworld.

ISN collects self-reported health, safety, environmental, quality and procurement information from contractors and suppliers and verifies its accuracy to ensure it meets industry, regulatory and Owner Client standards.

“Our team has worked diligently to serve our owner clients, contractors and suppliers,” said Brian Callahan, senior vice president. “Reaching 25,000 contractor clients is a testament to industry’s support and commitment to improve compliance, reporting, and most importantly, safety in the workplace.”

“This announcement marks an important milestone for improving North America and global standardization for those men and women leading safe and compliant work places,” said Joseph Eastin, president. “25,000 active customers represents over 4 million individual workers. We thank everyone that has helped shape ISN over the last 9 years and look forward to future growth as well.”

About ISN

ISN provides an online contractor management database, ISNetworld, which is designed to meet internal and governmental record keeping and compliance requirements. ISN collects health and safety, procurement, quality and regulatory information for more than 25,000 contractors and 150 Owner Clients. Through its Review and Verification Services (RAVS), ISN's subject matter experts review and verify contractors' self-reported information, incorporating a level of due diligence to the process. Contractors also use the system to manage internal training and recording keeping requirements. For more information, visit www.isnetworld.com.
