### **ISNetworld Ranked in Inc. 5000 Two Years Running**

**Dallas, Texas, August 2008** – ISNetworld (ISN) has earned a spot on the 2008 Inc. 5000 Fastest Growing Private Companies in America for the second year in a row. The Inc. 5000 is a benchmark for the most innovative, dynamic, and successful companies in the nation.

Joseph Eastin, President of ISN, noted, “It is an honor to be recognized in the Inc. 5000 for the past two years. The growth of ISN demonstrates there is a need for data management and benchmarking in our industry. We sincerely thank our 14,000 customers for their support and guidance.”

ISN CEO William Addy stated, “ISN is proud to once again be named one of the fastest growing companies in America. The ISNetworld brand stands for quality and excellence in customer service. Our record of growth supports our view that the ISNetworld brand is second to none in our industry.”

#### **About ISNetworld**

ISNetworld provides an online contractor/supplier management database designed to meet internal and governmental health, safety, and environmental requirements. ISNetworld Review and Verification Services (RAVS) validate contractor/supplier information. ISNetworld communicates health and safety standards and provides a method for subscribers to house documents, measure, compare and benchmark health and safety statistics, and provides a method of evaluation and communication between companies and their contractors. Contractor/suppliers also use the system to manage training and record keeping requirements. For more information, visit [www.isnetworld.com](http://www.isnetworld.com).
