### **ISNetworld Signs 5,000<sup>th</sup> Contractor Subscriber**

**Dallas, TX, June 30, 2006** – ISN Software Corporation (ISN) announced today that over 5,000 contractors are now active ISNetworld subscribers.

Joe Eastin, Executive Vice President of ISN, said, “Achieving the 5,000 contractor subscriber mark is an important milestone for ISN and ISNetworld. Far more important than the number, though, is the quality of the ISNetworld contractor subscriber base. ISNetworld contractor subscribers are the leaders in their areas of expertise and the geography they serve.”

Belinda Field, Director of Contractor Operations, added, “We pride ourselves on our customer service and support. Our new customer service center in Dallas provides us with the space and equipment to support our growing customer service team. We would like to thank all of the contractor community for its support as we seek to do a better job each and every day.”

ISN Software Corporation, through its flagship ISNetworld product, automates the relationship between contractors and their owner/operator customers in North America’s most capital-intensive industrial sectors. ISNetworld utilizes third party data wherever possible to create an added level of compliance record management and reporting integrity.
