**DSM Selects ISNworld for Contractor Management**  
*ISN Adds Additional Manufacturing Client*

DALLAS, Texas (May 20, 2011) – ISN is pleased to welcome DSM as its newest client. DSM has chosen ISN to streamline and enhance its contractor prequalification and management processes.

As a global life science-material science company, DSM is a leader in providing innovative solutions in health, nutrition and materials, creating brighter lives for people today and for generations to come.

“Working with ISN will allow DSM to focus on its core competencies while ensuring the highest levels of contractor safety and compliance at all of its facilities,” said DSM’s James Bodrogi.

“We look forward to building a strong and lasting partnership with DSM,” said Kim Cravens, Manager, ISN Manufacturing Team. “DSM’s already established culture of safety and dedication to safe work practices will lead to a seamless transition as DSM and ISN work together to achieve DSM’s goals for contractor management and safety.”

**DSM – the Life Sciences and Materials Sciences Company**

DSM creates innovative products and services in Life Sciences and Materials Sciences across health, nutrition and materials businesses to create brighter lives for people today and generations to come. End markets include human and animal nutrition and health, personal care, biomedical materials, pharmaceuticals, automotive, coatings and paint, electrics and electronics, life protection and housing. DSM has annual sales of more than \$12 billion and employs some 24,000 people worldwide. The company is headquartered in the Netherlands, with [locations](#) on five continents. DSM is listed on Euronext Amsterdam. To learn more please visit [www.dsm.com](http://www.dsm.com) or contact Hugh Welsh, President DSM NA at (973) 257-8208.

**About ISN**

ISN provides an online contractor management database, ISNworld, which is designed to meet internal and governmental record keeping and compliance requirements. ISN collects health and safety, procurement, quality and regulatory information for more than 32,000 contractors and 200 Owner Clients. Through its Review and Verification Services (RAVS), ISN's subject matter experts review and verify contractors' self-reported information, incorporating a level of due diligence to the process. Contractors also use the system to manage internal training and recording keeping requirements. For more information, visit [www.isn.com](http://www.isn.com).
